BOTANICAL SOUL REVIVAL

Mediteranski piling i masaža cijelog tijela s eteričnim uljima lavande i ružmarina vrhunski je tretman koji kombinira blagotvorne učinke pilinga i masaže za cjelokupno opuštanje tijela i uma. Ovaj tretman počinje pilingom na bazi soli i mediteranskog bilja koji ima ne samo ekfolijacijski, nego i regenerativni učinak na kožu. Soli i bilje pomažu u uklanjanju odumrlih stanica kože, stimulirajući regeneraciju i omogućujući dublju hidrataciju kože. Nakon pilinga, koža je svilenkasto glatka, čista i pripremljena za ugodnu masažu.

Sljedeći je korak masaža cijelog tijela u kojoj se koristi kombinacija eteričnih ulja lavande i ružmarina kako bi se postigao optimalan učinak relaksacije i revitalizacije. Ova kombinacija ulja ima umirujuće i opuštajuće djelovanje na tijelo te pomaže u smanjenju napetosti mišića i ublažavanju stresa. Masaža uključuje duboke relaksacijske pokrete koji omogućuju tijelu da se duboko opusti te umirujuće drenažne pokrete koji potiču cirkulaciju i ublažavaju otcicanje. Tijekom masaže, terapeut će koristiti tehnike istezanja mišića kako bi se povećala fleksibilnost tijela i uskladila ravnoteža između tijela i uma.

Na kraju ovog tretmana osjećat ćete se potpuno opušteno, obnovljeno i osnaženo. Vaše će tijelo biti puno energije, a vaš um smiren. Mediteranski piling i masaža s eteričnim uljima lavande i ružmarina vrhunski je tretman za sve koji žele potpuno opustiti tijelo i um, a istovremeno poboljšati cjelokupno zdravlje i dobrobit.

The Mediterranean body scrub and full-body massage with lavender and rosemary essential oils is a premium treatment that combines the beneficial effects of exfoliation and massage for complete body and mind relaxation. This treatment begins with a scrub based on salt and Mediterranean herbs, providing both exfoliating and regenerative effects on the skin. The salt and herbs help remove dead skin cells, stimulate regeneration, and allow for deeper hydration of the skin. After the scrub, the skin is silky smooth, clean, and prepared for a relaxing massage.

The next step is a full-body massage using a combination of lavender and rosemary essential oils to achieve optimal relaxation and revitalization. This blend of oils has a soothing and relaxing effect on the body, helping to reduce muscle tension and alleviate stress. The massage employs deep relaxation strokes that allow the body to deeply relax, along with soothing drainage movements that promote circulation and reduce swelling. During the massage, the therapist will use muscle stretching techniques to increase body flexibility and harmonize body and mind.

By the end of this treatment, you will feel completely relaxed, rejuvenated, and energized. Your body will be invigorated, and your mind calm. The Mediterranean body scrub and massage with lavender and rosemary essential oils is a top treatment for anyone looking to completely relax the body and mind while simultaneously improving overall health and well-being.
